ANGELES' FATE IS STILL UNDECIDED

STILL UNDECIDED

El Paso, Texas, Nov. 24.—The fate of General Felipe Angeles, known as the intellectual leader of the Villa revolutionary movement, was to be decided today by the military court martial at Chihashua City, which began the trial the captured rebel leader last night. Passengers arriving at Juares from the Chihushua capital said there was — hostile demonstration against Angeles when he was brought to the federal penitentiary.

Strong Influences have been brought to bear with Carranza government officials to spare the prisoner's life, according to these reports and the wires in Chihushua City have been crowded with messages urging elemency.
